

 CARPENTER
ESCAPE to
LOS CABOS ²⁰/₂₇

Situated at the southern tip of Mexico's Baja California Peninsula sits Los Cabos, a sun-drenched paradise blessed with crystal-clear waters and over 320 days of sunshine per year, making it a near-perfect vacation destination.

Cabo's unique location, where the Pacific Ocean meets the Sea of Cortez, creates one of the most remarkable marine environments on the planet. Snorkelers and scuba divers flock to its protected coves, where vibrant coral reefs are home to angelfish, parrotfish, and sea turtles. World-class sportfishing has earned Cabo the nickname "Marlin Capital of the World." And, from December through April, whale watching draws nature lovers as humpback and gray whales migrate through the region.

But Cabo is more than a beach destination — its dramatic desert landscapes and rugged terrain make it a playground for land-based adventures as well. Thrill-seekers can hop on an ATV and cruise through desert trails, taking in the breathtaking vistas. Or soar over canyons, lush tree canopies, and sweeping ocean views on a zipline. For a more leisurely pace, horseback riding is a beloved option. And camel rides are one of the most distinctive and talked-about activities in Los Cabos. Of course, Cabo is also a golf mecca with 18 Championship-caliber courses, designed by some of the sport's most celebrated architects.

San Jose del Cabo

Approximately 15 miles from Los Cabos International Airport, you'll find San Jose del Cabo, a charming resort town known for its colonial architecture, historic town square, and intimate courtyard cafés, that capture the authentic spirit of old Mexico. Art enthusiasts are encouraged to take part in the Cabo Art Walk, where San Jose del Cabo's historic center transforms into a vibrant celebration of local art, music, and food. Galleries open their doors, street musicians fill the air with sound, and visitors roam lantern-lit cobblestone streets, wine in hand. The Cabo Art Walk takes place every Thursday, from November to June.

It is in San Jose del Cabo where you'll find the luxurious Secrets Puerto Los Cabos Golf & Spa Resort, an adults-only oasis set in the exclusive community of Puerto Los Cabos, overlooking the Sea of Cortez. We invite you to join your friends at **CARPENTER** for five nights of all-inclusive bliss at Secrets Puerto Los Cabos, March 3-8, 2027. You'll be glad you did.
